Your love, like a candle  
Flickers in the dark  
You came into my life  
And brightened up my heart  
With you by my side  
I see the love that I wanna feel  
Show me you love me baby  
Show me that it's real

Just take my hand  
I'll make you understand  
I want you  
You want me  
And that's the way it's got to be  
Now that you're here  
I'm gonna make it clear

Give me the love I need  
Give in to me  
Just give me the love I need  
Hold me, caress me  
Give in to me  
Hold me, caress me  
Give in to me  
Give me the love I need  
Give in to me  
Just give in to me

Your love is like a whisper  
Say what I wanna hear  
Your eyes cry the secrets  
And my heart will dry your tears  
I need to have you near me  
Your loving I would find  
Girl I would hold your heart  
Inside and brace your mind

Just take my hand  
I'll make you understand  
I want you  
You want me

And that's the way it's got to be  
Now that you're here  
I'm gonna make it clear

Give me the love I need  
Give in to me  
Just give me the love I need  
Hold me, caress me  
Give in to me  
Hold me, caress me  
Give in to me  
Give me the love I need  
Give in to me  
Just give in to me

Just give me the love I need  
I need your love tonight, sweet lady  
I wonder what the nights be like  
Without you near me  
Give in to me girl  
I need you by my side  
Just give me the love I need  
I need your loving baby  
I need your love  
I need your love

Give me the love I need  
Give in to me  
Just give me the love I need  
Hold me, caress me  
Give in to me  
Hold me, caress me  
Give in to me  
Give me the love I need  
Give in to me  
Just give in to me

Give me the love I need  
Give in to me  
Just give me the love I need  
Hold me, caress me  
Give in to me  
Just give me the love I need  
Give me the love I need  
Give in to me

Give me the love I need  
Give in to me  
Hold me, caress me  
Give in to me
