Yeah  
Uh  
Ooh-oh  
Yeah-yeah yeah-yeah yeah-yeah

You better get it again, come on, get up on me, ma  
Sweet as the juice in a peach, my mouth ready for  
water falling  
(Ooh oh)

Grab on to me and you'll get a dose, strap on and don't  
get down  
We'll keep on rockin' the microphone, coming all over  
tomorrow  
Ooh

Know it ain't right  
I've been waiting for you all damn night  
So baby come over  
(Get it on me mami, just how you like it)  
Out of sight  
I'm gonna treat you oh so right  
So lady come on yeah  
'Cause girl you got me sprung

Baby, I want you, I need you, to feel you  
I would love you all night strong  
See if you were my girl  
(Yeah)  
Tell me that you want me, to please you, cause I need  
to  
I would love you all night strong  
See if you were my girl

Oh  
Sugah  
Mmm...

Blue jeans that hung off her hips, with lips that  
practically drove me manic  
(Ooh oh)  
Sexy electric send chills through me, girl can you feel

the static?  
(Yeah yeah yeah)

Ready to roll, she was built for speed, not like an  
automatic  
(Uh huh)  
Dangerous curves if she gets swerve on, are you ready  
for havoc?  
Right now

You know it ain't right  
I've been waiting for you all damn night  
So baby come over  
(Are you ready for a test of my love for you)

Out of sight  
I'm gonna treat you oh so right  
So lady come on yeah  
'Cause girl you got me sprung

Baby, I want you, I need you, to feel you  
I would love you all night strong  
See if you were my girl  
(G-g-g-g-girl)  
Tell me that you want me, to please you, cause I need  
to  
I would love you all night strong  
See if you were my girl  
(Woo!)

Uh  
Yeah  
Mama  
Yeah-yeah yeah-yeah

I'm-a make you say, yea!  
I say, yea!  
Yea! Woo!  
Yea!  
Yea! Yea!  
Uh

Ah ah ah ah ah ah ah ah ah ah yea!  
Woo!  
Mama

Baby, I want you, I need you, to feel you  
I would love you all night strong  
See if you were my girl  
(My, my, my, my, my girl)  
Tell me that you want me, to please you, cause I need

you  
I would love you all night strong  
See if you were my girl  
(Woo!)

Baby, I want you, I need you, to feel you  
I would love you all night strong  
See if you were my girl  
(Girl)  
Tell me that you want me, to please you, cause I need  
to  
I would love you all night strong  
See if you were my girl  
(Girl)

Uh  
Say, my girl

Ooh lord  
My girl, yeah yeah

Na na na  
My girl  
(Girl)

Yeah yeah yeah yeah

Tell me that you want me, to please you  
My girl
