all my bages are packed  
im ready to go  
im stading here outside your door  
i hate to wake you up to say goodbye  
but the dawn is breaking this early morn  
the taxi is waiting  
is blowing his horn  
already im so lonesome i could die

so kiss me and smile for me  
tell me that you wait for me  
hold me like you never let me go  
im leaving on a jet plane  
dont know when i'll be back again  
oh babe i hate to go  
i hate to go

thers so many times i let you down  
thers so many times i playd around  
but now you know that they dont mean a thing  
every place i go i think of you  
every song i sing i sing for you  
when i come back i'll wear your weding ring

so kiss me and smile for me  
tell me that you wait for me  
hold me like you never let me go  
im leaving on a jet plain  
dont know when i'll be back again  
ho babe i hate to go  
i hate to go

now the time has come to leave you  
one more time i let me kiss you  
close your eyes  
and i will be on my way  
dream about the day to come  
but i wont have to live alone  
about the time when i wont have to say

so kiss me and smile for me

tell me that you wait for me  
hold me like you never let me go  
cos' im leaving on a jet plain  
dont know when i'll be back again  
ho babe i hate to go

cos' im leaving on a jet plain  
dont know when i'll be back again  
ho babe i hate to go

im leaving on jet plain  
im leaving on jet plain  
im leaving on jet plain  
i hate to go

im leaving on jet plain  
im leaving on jet plain  
im leaving on jet plain  
i hate to go

im leaving on jet plain  
im leaving on jet plain  
im leaving on jet plain  
i hate to go.....
