One Last Cry

My shatter dreams, broken heart
I'm ending on the shelf
I saw you holding hands
Standing close to someone else

Still I sit all alone
Wishing all my feelings gone
I give my best to you
Nothing for means to do

But have one last cry, one last cry
Before I leave it all behind
I got to put you out of my mind
This time

I guess I'm down to one last cry, cry

I was you, you were there
Guess we never could agree
While the sun shines on you
I need some love to

Still I sit all alone
Wishing all my feelings gone
Gotta get over you (gotta get over you)
Nothing for means to do

But have one last cry, one last cry
Before I leave it all behind
I got to put you out of my mind
This time

I know I've gotta be strong
Cause my heart goes on and on
And on, and on ooh

.....

One last cry, one last cry
Before I leave it all behind
I got to put you out of my mind

This time, for the very last time
I guess I'm down
I guess I'm down
I guess I'm down
To my last cry

Sorry, ist leider etwas unvollständig, weil es teilweise
ziemlich schlecht zu verstehen war. Viel Spaß damit !!!
