The door is coming off the hinges
About to pass out-No doubt its hot in here
Because the club is full of woman
Its wall to wall and i got my crew with me

We grab a table spot to chill in
Hunt down a waitress make an order...here we go
Throw back a drink and let it kick in
It takes a minute-whose ready to have some fun

Get up and take a lap to mingle
Love being single on a night like this, yeah
So many beautiful young people
The game is legal
You dont have to kill 'em though
Just look at everyone as equal

While you were dancing she was watching...feelin you
Her and her girlfriends by the speaker
Are moving on each other
This is where the show begins

Baby girl you keep looking at me
move your body so sexy
nice and slow, watch you roll
You know how i like it

Baby girl cause you know u got me
move your body so sexy
nice and slow, watch you roll
You know how i like it

CHORUS:

Some girls dance with woman
Knowing that it gets them attention
I want to get in with them
So pass me a drink and lets roll

Some girls dance with woman
Knowing that it gets them attention
I want to get in with them

So pass me a drink and lets go

CHORUS:

Step right up and spin the wheel
All draws up and what you feel
Making a pose trying to keep it real
What's your name

Try your luck and spin the wheel
All draws up and what you feel
Making a pose trying to keep it real
I want to take you home

CHORUS: 3X
