So you wanna come at me?
Like you wanna come and play?
Bring your body close to me
And girl we'll play all day

'Cause you got a sexy way
And you know just what to say
Make me wanna do some things
And I can't take it, oh oh no no

Can you feel it, babe?
'Cause it's alright
Got me burnin' for ya
Oh...

Babe, I've been dyin' to tell ya something
Ooh ooh ooh yea
Your something special, sugar
I can't get enough of your love
'Cause you give me a fever darlin'
Ooh ooh ooh yea
'Cause your something special
Something special

And I got the recipe
Girl it's such a tasty way
For you to get a taste of me
Silky like a Milky Way

Come into my room
Let's break all the rules
Who knows what we'll do
Anything is possible

Can you feel it, babe?
(Can you feel it babe)
'Cause it's alright
(It's alright now)
Got me burnin' sugar
(Got me burnin' sugar)
Oh...
Come on

Babe, I've been dyin' to tell ya something
Ooh ooh ooh yea
'Cause your something special, sugar
I can't get enough of your love

Your giving me a fever darlin'
Ooh ooh ooh yea
'Cause your something special
Something special

[whistling]
