[Chorus:]

Do you cry your eyes asleep?
Is it peace you seek at night when your body's weak?
Did it leave you with the scars, of a war-torn ravaged
heart?
Do you cry your eyes asleep?

[I.]

Remember the words we use to speak
The promises made have turned to all apologies
The weight of the storm of memories
Still you're flying to fight the force of gravity

[Chorus:]

Do you cry your eyes asleep?
Is it peace you seek at night when your body's weak?
Did it leave you with the scars, of a war-torn ravaged
heart?
Do you cry your eyes asleep?

[II.]

I remember the days I still could breathe
Now I'm sinking beneath, the waves are crashing over
me
The empty space I lay between
Is all that's left of where our love was meant to be

The force of gravity
The force of gravity...

[Chorus:]

Do you cry your eyes asleep?
Is it peace you seek at night when your body's weak?
Did it leave you with the scars, of a war-torn ravaged
heart?
Do you cry your eyes asleep?
