When can my heart beat again  
When does the pain ever end  
When do the tears stop from running over  
When does you'll get over it begin

I hear what you're sayin'  
But I swear that it's not making sense  
So when can I see you (ah)

When can I see you again  
When can my heart beat again  
When can I see you again  
And when can I breathe once again  
And when can I see you

When does my someday begin  
When I'll find someone again  
And what if I still am not truly over  
What am I supposed to do then

Hear what I'm sayin'  
Even if, if it's not making sense  
So when can I see you

[HO]

Please hear what I'm sayin'  
Even if, if it's not making sense  
So when can I see you

[HO 2 times]
