Lately, I've been wondering alone  
If we all should live forever  
We'd lose heaven, oh

What's made me  
Is all the riches I've known  
Kept the core of me together  
I'm still holdin' on, oh

All I wanna do is keep on giving  
Keep on living till my dying end, oh  
All I wanna do is keep on moving  
Keep on doing till my dying end

Believe me, every hour in a day  
Filled with everlasting memories  
That befriend me, that stay with me

Now all I wanna do is keep on seeing  
Keep on being till my dying end  
All I wanna do is keep on feeling  
Keep on dealing till my dying end

All I wanna do is keep on yearning  
Keep on learning till my dying end  
All I wanna do is keep on feeling  
Keep on dealing till my dying end

All I wanna do is keep on growing  
Keep on knowing till my dying end  
All I wanna do is keep on playing
