Now baby, baby, baby
You know I don't need to play
Since you're gonna leave anyway

Now maybe, baby, baby
You might think me funny
But you know

Sure damn well what I'm talking about
Think I don't see you walking about
Talking about, walking about, talking about

If this shit ain't good enough
I thought this was something
I don't need ya', I don't need ya'
(Not a little bit no)

If this thing ain't good enough
Acting like we're nothing
I don't need ya', I don't need ya'

No, no, no

Now girl, you making me crazy
You know I don't mean to say
That you ain't got a place in my life
But you keep me out here running
From your evil ways

But you know sure damn well
What I'm talking about
Think I don't see you walking about
Talking about, walking about, talking about

If this shit ain't good enough
I thought this was something
I don't need ya', I don't need ya'
(Not a little bit no)

If this thing ain't good enough
Acting like we're nothing
I don't need ya', I don't need ya'

One of a kind sometimes I just don't get it
And other times it flows perfectly
One of a kind sometimes I say forget it
And other times you're there for me

If this shit ain't good enough
I thought this was something
I don't need ya', I don't need ya'
(Not a little bit no)

If this thing ain't good enough
Acting like we're nothing
I don't need ya', I don't need ya'
