Oh yeah  
Cryin' won't help you  
When your baby's gone, no it won't  
This is what to do  
When you're starved and you alone, now, oh yeah

Forget about what could  
Yeah, what could have been  
That's what you do, now  
Just pick up the pieces and start over again, yeah

You can feel me now, yes you can  
The second time around, oh  
Just don't give up thinkin'  
True love can't be found

Forget about what could  
Yeah, what could have been  
That's what you do, now  
Just pick up the pieces and start over again

Broken hearts many times  
Yes, will make it, just keep on tryin'  
The game of love, [Incomprehensible]  
It's the same everyday and everywhere

Cryin' won't help you now  
When you're baby's gone, no it won't  
This is what to do  
When you're starved and you're lonely, oh yeah

Forget about what could  
Yeah, what could have been  
That's what you do, now  
Just pick up the pieces and start over again, yeah, yeah

Pick up, pick up all those pieces  
That's what you do  
Pick up those pieces  
Start all over again, oh yeah  
Pick up the pieces, now, I know you can
