(You think you're hot stuff)  
(But in my book, you're not hot enough)

I know you think you're out of sight  
'Cause all of the girls really like you  
And just because of that build you got  
You think no girl can refuse you  
I'll bet you do, oh yes you do  
But I've got some news for you now

You need somebody to tell you (yes you do now)  
You need somebody to tell you (yes you do now)  
You need somebody to tell you (yes you do now)

You think you're hot stuff  
But in my book, you're not hot enough now  
You think you're hot stuff  
But I'm the one who's gonna cool you off

When the other girls looked at you  
I know how they got fooled  
Their mistake was they got carried away  
And they didn't know what to do now  
Baby, baby, I know what you're after  
But I know what you're not gonna get

You just need somebody to tell you (yes you do now)  
You need somebody to tell you (yes you do now)  
You need somebody to tell you (yes you do now)

You think you're hot stuff  
But in my book, you're not hot enough now  
You think you're hot stuff  
But I'm the one who's gonna cool you off  
Yes I am now

(You think you're hot stuff)

Many girls have been fooled  
By too many men like you  
And it's about time you got put in your place  
And it's just what I'm gonna do now

I know I've got to give my love to some man  
But you can bet it won't be you

'Cause you need somebody to tell you (yes you do now)  
You just need somebody to tell you (yes you do now)  
You need somebody to tell you (yes you do now)

You think you're hot stuff  
But in my book, you're not hot enough now  
You think you're hot stuff  
But I'm the one who's gonna cool you off

You think you're hot stuff  
But in my book, you're not hot enough now  
You think you're hot stuff  
But I'm the one who's gonna cool you off

You think you're hot stuff  
But in my book, you're not hot enough now  
You think you're hot stuff...
