I want to be your child Lord

I want to be your child Lord
I want to live with in your will
I want to be your child Lord
I want to obey everything that you say

I want to be your child Lord
I want to live with in your will
I want to be your child Lord
I want to worship you and give your name praise

Each day
Each day
I want to give you praise
Each day
Each day
I want to worship you

Each day
Each day

I want to give you praise
Each day
Each day

Do with me as you wish my Lord
My heart mind and soul our yours to control
Do with me as you wish my Lord
Guide in your righteous ways

Do with me as you wish my Lord
My heart mind and soul our yours to control
Do with me as you wish my Lord
And never let me go astray
