When you have the power of the cross with you  
When you have the power of the cross it's true  
What ever storm that's headed your way  
You can stand firm and not be afraid  
Cause the power of the cross will be with you  
And the power of the cross will deliver you  
X2

When you have faith and you believe in the cross  
You will see victory in any cause  
X2

Glory be unto the name of our Lord  
Glory be unto the name of our Lord  
X2

When you have the power of the cross with you  
When you have the power of the cross it's true  
What ever storm that's headed your way  
You can stand firm and not be afraid  
Cause the power of the cross will be with you  
And the power of the cross will deliver you  
When you have the power of the cross with you  
Everything will be alright / OK
