I was born in Africa. I was born in Africa!
So what so what!
You know that I'm proud of that!
So I was born in Africa! I was born in Africa!
So what so what!
You know that I'm so proud of it!

I call us for a job
She told me to come

She wanted to know my name
And so
It sounded African
She said she could'nt hide of it
Because of the color of my skin.

I was born in Africa! I was born in Africa!
So what so what!
You know that I'm so proud of it!
I was born in Africa! I was born in Africa!
So what so what!
You know that I m so proud of it!

If I am free today
It's because I'm a vocaler

If my
To keep on a part of it
I won't go for the police
To make my state
By this song, I'm telling I love you!

I was born in Africa! I was born in Africa!
So what so what!
You know that I'm so proud of it!
I was born in Africa! I was born in Africa!
So what so what!
You know that I m so proud of it!
I was born(Africa), I was born, I was born(Africa), I was
born,I was born(Africa), I was born,
I was born in Africa! I was born in Africa!
So what so what!

You know that I'm so proud of it!
I was born in Africa! I was born in Africa!
So what so what!
You know that I m so proud of it
