"Born To Loose"

Born to lose I've lived my life in vain every dream has
only brought me pain
All my life I've always been so blue born to lose and
now I'm losing you
Born to lose it seems so hard to bear how I long to
always have you near
You've grown tired and now you say we're through born
to lose and now I'm losing you
[guitar - steel]
Born to lose my every hope is gone it's so hard to face
an empty dawn
You were all the happiness I knew born to lose and now
I'm losing you
There's no use to dream of happiness all I see is only
loneliness
All my life I've always been so blue born to lose and
now I'm losing you
