"Break My Mind"

Baby oh baby tell the man at the ticket stand that
you've changed your mind
Let me run on out and tell the cab to keep his meter
flyin'
Cause if you say goodbye to me babe you're gonna
break my mind
Break my mind break my mind
No I just can't stand to hear them big jet engines whine
Break my mind break my mind oh Lord
If you leave you're gonna leave a babblin' fool behind
[ac.guitar]
Baby oh baby please take your suitcase off of the
scales in time
Tell the man that you've suddenly developed a thing
about flyin'
Cause if you say goodbye to me baby you're gonna
break my mind
Break my mind break my mind...
