I remember when I was a kid times were hard and
things were bad
There's a silver lining behind every cloud
Just poor people that's all we were tryin' to make a livin'
out of black land dirt
We'd get together in a family circle and sing out loud
(Well daddy sang bass) mama sang tenor
(Me and little brother would join right in there)
Cause singin' seems to help a troubled soul
One of these days and it won't be long I'll rejoin them in
a song
I'm gonna join the family circle at the throne
No the circle won't be broken by and by Lord by and by
(Well daddy sang bass) mama sang tenor
(Me and little brother would join right in there) in the
sky Lord in the sky
[guitar]
Well I remember after work mama would call in all of us
You could hear us singin' for a country mile
Now little brother has done gone on I'll rejoin him in a
song
We'll be together again up yonder in a little while
(Well daddy sang bass) mama sang tenor...
In the sky Lord in the sky
