Don't make me a promise and then make me blue don't
say you love me if it isn't true
Don't make me cry so much I can't see please don't
take advantage of me
You might be the kind who'll just lead me on
Then when I need you most that's when you'll be gone
Don't tell me those sweet lies you know I believe please
don't take advantage of me
[steel]
Ever since I first met you I've been so in love
Day and night it's you that I'm thinking of
So before you hurt me I'm a begging you please please
don't take advantage of me
You might be the kind...
