"For The Good Times"

Don't look so sad I know it's over
But life goes on and this old world will keep on turning
Let's just be glad we had some time to spend together
There's no need to watch the bridges that were burning
Lay your head upon my pillow hold your warm and
tender body close to mine
Hear the whisper of the raindrops blowing soft against
the window
And make believe you love me one more time for the
good times
I'll get along you'll find another and I'll be here if you
should find you ever need me
Don't say a word about tomorrow or forever
There'll be time enough for sadness when you leave
me
Lay your head upon my pillow...
