How long does it hurt when a heart breaks how long
can you stand the pain
How long does one dream when a dream die and only
the mem'ries remain
It seems it must take forever to forget the love you
once knew
How long does it hurt when a heart breaks how long
must the heart ache for you
[guitar]
How long does it hurt when a heart breaks oh how
many tears must fall
Before one is free from the chains of a love that's
beyond all recall
I keep saying soon I'll forget you but somehow I'll never
do
How long does it hurt when a heart breaks as long as I
keep loving you
