Today I passed you on the street and my heart fell at
your feet
I can't help it if I'm still in love with you
Somebody else walked by your side and she looked so
satisfied
I can't help it if I'm still in love with you
A picture from the past came slowly stealing
As I brushed your arm and I walked so close to you
Then suddenly I got that old time feeling I can't help it
if I'm still in love with you
It's hard to know another's lips will kiss you
And she'll hold you just the way I used to do
Heaven only knows how much I miss you I can't help it if
I'm still in love with you
