I don't remember much about him that's a lie I tell my
heart
When I hear his name I'm not to blame if lonesome
heartache start
I don't remember how I loved him when my dreams
came through an end
If the teardrop falls it's just because a memory slipped
in
I can't recall the way I cried when he made me second
choice
I don't remember how I tried to erase the sound of his
voice
I'd like to make myself believe this I know that lying is a
sin
So each night I pray I'll see the day I don't remember
him
[piano - steel]
I can't recall the way I cried...
