You forgot to call me up you left me sittin' there  
You forgot quite a lot and I forgot to care ah ah ah oh  
yeah  
You forgot to fill me in on your new love affair  
You forgot quite a lot and I forgot to care ah ah ah ah  
ah  
You forgot the tender loving care you know I need  
I sat around and cried a lot now I'm back on my feet  
You forgot so many things now we don't have a prayer  
You forgot quite a lot and I forgot to care ah ah ah ah  
ah hmm hmm  
[ guitar ]  
You forgot the tender...  
You forgot quite a lot and I forgot to care ah ah ah ah  
ah
