I was counting all my riches as I stared along today  
Call myself the lucky one though not a penny could I  
pay  
You placed the ring on my hand mother nature's  
smiled above  
You gave me your heart I gave you mine I married you  
for love  
A mansion on a hilltop wouldn't mean a thing to me  
I'd never step inside it dear if you're not there with me  
I worry so if you're not by my side it's you I'm thinking  
of  
I want you more than life itself I married you for love  
[ fiddle - piano - guitar ]  
A mansion on a hilltop...
