I don't care what anybody thinks of me
My pride is gone and here I am on bended knee
I want you and I need you that's all I know
And I'd fight the world before I'd ever let go go
I'd gladly beg I'd steal I'd borrow I'd turn my back on
everyone I know
I'd do these things with no fears of tomorrow
I'd fight the world before I'd ever let go go
I don't care what anybody thinks of me
(I know they're talkin' about my lovin' you the way I do)
My pride is gone and here I am on bended knee
(And they're sayin' that no one should love you not the
way I love you)
I want you and I need you that's all I know
(But I don't care if the world stops the sun explodes or
the moon turns to ashes)
And I'd fight the world before I'd ever let go go
(I'd stand and fight the world before I'd let you go)
Oh I'd fight the world before I'd ever let go go
Yes I'd fight the world before I'd ever let go go
