The chimes of time ring out the news another day is
through
Someone slipped and fell was that someone you
You may have long for added strenght your courage to
renew
Do not be this hearten I have news for you
It is no secret what God can do what he's done for
others he'll do for you
With arms wide open he will part anew it is no secret
what God can do
[steel]
There is no night for end his light you'll never walk
alone
Always feel at home wherever you may roam
There is no power can conquer you while God is on
your side
Take him at his promise don't run away and hide
It is no secret what God can do...
