(Joe Thomas - Howard Biggs)

Got you on my mind feeling kinda sad and low  
Got you on my mind feeling kinda sad and low  
Wonderin' where you are, wonderin' why you had to go.

Tears began to fall everytime I hear your name  
Tears began to fall everytime I hear your name  
Since you went away nothing seems to be the same.

No matter how I try my heart keeps tellin' me  
That I can't forget you  
If it should ever be that you wanna come back to me  
Gonna let you.

Got you on my mind feeling kinda sad and low  
Got you on my mind feeling kinda sad and low  
Wonderin' where you are, wonderin' why you had to go.

Wonderin' where you are, wonderin' why you had to  
go...
