My bags are packed I'm ready to go I'm standing here
outside your door
I hate to wake you up to say goodbye
But the dawn is breakin' and it's early morn the taxi's
waitin' he's blowing his horn
Already I'm so lonesome I could cry
So kiss me and smile for me tell me that you'll wait for
me
Hold me like you'll never let me go
I'm leaving on a jet plane don't know when I'll be back
again oh babe I hate to go

There's so many times you let me down so many times
you've played around
I tell you now that they don't mean a thing
Every place I'll go I'll think of you every song I'll sing I'll
sing for you
When I come back I'll wear your wedding ring
So kiss me and smile for me...

Now the time has come to leave you one more time let
me kiss you
Then close your eyes and I'll be on my way
Dream about the days to come when I won't have to
leave alone
About the time I won't have to say
Kiss me and smile for me...
Hate to go
