(Jimmy Gateley)

You loved me till she came between us
And then I was left by myself
But I wouldn't trade one minute with you
For a lifetime with anyone else.

I'm sure that she's made you happy
But I'm not too happy myself
Still I wouldn't give one minute with you
For a lifetime with anyone else.

In one minute I whispered I love you
For one minute you held me so tight
And though I've tried to forget it
In one minute we said goodbye.

But there's no regrets that I loved you
Of course I just speak for myself
'Cause I wouldn't trade one minute with you
For a lifetime with anyone else.

'Cause I wouldn't trade one minute with you
For a lifetime with anyone else...
