You say our love is over that's right I found another you
say you're going away
Put it off until tomorrow oh oh you've hurt me enough
today
You've hurt me enough today I can't believe the words
you say
You must accept the fact I won't be coming back
Oh stay just one more day loneliness isn't far away
Put it off until tomorrow oh oh you've hurt me enough
today
[steel]
I'll stay just one more day but then I must go away
Put it off until tomorrow oh oh you've hurt me enough
today

Put it off until tomorrow oh oh you've hurt me enough
today
