There's lots of Sunday Christians walking over this land
They go to church one day a week and take a Christian
stand
They dress up in their Sunday dress so everyone can
see
They're only Sunday Christians, one day a week

You can held the Sunday Christians in church one day a
week
They never hear a word that's said and usually go to
sleep
The Lord says to be a Christian you gotta get out on
your knees
And pray to be a Christian seven days a week

They party every Saturday night until the break of day
They never get to church on time because they sleep
too late
Then they walk proudly down the aisle and take the
front row seat
For you're a Sunday Christian one day a week

There's lots of Sunday Christians walking over this land
They go to church one day a week and take a Christian
stand
They dress up in their Sunday dress so everyone can
see
They're only Sunday Christians, one day a week

Now when this life is over and it's Judgment Day
There's lots of Sunday Christians that's gonna have to
pay
The Lord will start to count 'em out and they will hear
him speak
I can't use no Sunday Christians one day a week

There's lots of Sunday Christians walking over this land
They go to church one day a week and take a Christian
stand
They dress up in their Sunday dress so everyone can
see
They're only Sunday Christians, one day a week

They're only Sunday Christians, one day a week
