There goes my only possession there goes my
everything
I hear footsteps slowly walking as they gently walk
across a lonely floor
And a voice is softly saying darling this will be goodbye
forever more
There goes my reason for living there goes the one of
my dreams
There goes my only possession there goes my
everything

As my mem'ry turns back the pages I can see the
happy years we had before
Now the love that kept this old heart beating
Has been shattered by the closing of a door

There goes my reason for living...
