I wish I could come back to you, dear  
'Cause I know that you want me too  
But there's too much water's run under that old bridge  
There's too many rivers between me and you

There's too many rivers to cross, dear  
Too many dreams have been lost  
And there's too many long nights  
That I've turned and tossed  
There's too many rivers to cross

Now don't think for a moment, I blame only you  
We both peeled the fruit on the vine  
And when you try to put love back together  
There's always a few little pieces  
That you just can't seem to find

There's too many rivers to cross, dear  
Too many dreams have been lost  
And there's too many long nights  
That I've turned and tossed  
There's too many rivers to cross
