You've got me under your spell again saying those things again  
Making me believe that you're just mine  
You've got me dreaming those dreams again thinking those things again  
I've got to take you back just one more time

I swore the last time that you let me down that I wouldn't see you if you came around  
But I can't tell my heart what's right or wrong  
And I've been so lonely since you've been gone  
You've got me under your spell again...

[ steel ]

Well everybody tells me that I'm a fool that I never should have put my faith in you

And way down deep inside I guess I know it's true  
But no one else can make me feel the way you do  
You've got me under your spell again...
