If anyone could find the joy  
That true love brings a girl and boy  
We could, we could  
You and I

If anyone could ever say that  
Their true love was here to stay  
We could, we could  
You and I

When you're in my arms  
I know, you're happy to be there  
And just as long as I'm with you  
I'm happy anywhere

If anyone could pray each night and thank to Lord  
'Cause all is right  
We could, we could  
You and I

When you're in my arms  
I know, you're happy to be there  
And just as long as I'm with you  
I'm happy anywhere

If anyone could pray each night and thank to Lord  
'Cause all is right  
We could, we could  
You and I
