Once I stood in the night with my head bowed down  
In the darkness as black as the sea  
And I felt so alone and I cried oh Lord don't hide Thy  
face from me  
Take my hand all the way every hour every day from  
here to the great unknown  
Take my hand let me stand where no one stands alone

Like a king I may live in a palace so high with great  
riches to call my own  
But I don't know a thing in this whole wide world that's  
worse than being alone

Take my hand all the way...
