(Hank Cochran)

Willingly I fell in love with you
Willingly I learned to love you too
Though we both know that it was wrong
To someone else we both belong.
We fell in love willingly.

Willingly I fell although I knew
Sweetheart, I knew the same as you
So if it's fate for us to wait
Until our love can be
Then we'll wait willingly.

I love you, I love you too
I want you, I want you too
But if it's fate for us to wait
Until our love can be
Then we'll wait willingly.

Then we'll wait willingly...
