Wyclef:

Hello, boys and girls.

Welcome to Wyclef Words of Wisdom.

I am here with an m.c. that
everyone is scared of.

He has killed over a million
people on record and he's still
not locked up.

Am, what is your name sir?

Killer M.C.: Nuhmsayin? Am...

Wyclef: Yeah. Basically, if you have
killed so many people why ain't
you locked up?

Killer M.C.: I'm sayin' though like,
nuhmsayin?

Wyclef: Yeah, exactly my point.
Don't believe the hype.
