[B] Wyclef, Butch Cassidy, Sharissa

[W] What up

[S] Unnnnnh!

[B] From the West Indies to the West Coast

[W] Callabo

[B] You say keep it gangsta

[Chorus: Wyclef] (Butch Cassidy)

But when the beef come, you're the first to run (YOU
SAY KEEP IT GANGSTA)

Yo, that ain't your gun, it belongs to... (YOU SAY KEEP IT
GANGSTA)

You roll with a hundred, but when the beef come don't
nobody want it

(Gangster, la la la la, la la la la)

[Wyclef] (Butch Cassidy)

I want to dedicate this chant to my people locked down
livin life in the yard

(KEEP IT GANGSTA)

Keep a shank boofed up in their tape just in case a thug
wanna play hard

(KEEP IT GANGSTA)

All this ice-grillin talk bout you King of New York, now
you wanna call a guard

(THAT AIN'T GANGSTA)

But it's too late when the guard show up cause your
body's going straight to the morgue

(KEEP IT GANGSTA)

[Chorus: Wyclef] (Butch Cassidy)

But when the beef come, you're the first to run (YOU
SAY KEEP IT GANGSTA)

Yo, that ain't your gun, it belongs to... (YOU SAY KEEP IT
GANGSTA)

You roll with a hundred, but when the beef come don't
nobody want it

(...GANGSTER)

[Butch Cassidy] (Wyclef & Sharissa)

I wanna dedicate this jam to the ladies holdin spots

when they fellows lock down
(KEEP IT GANGSTA)
Keep a glock in they pocket blowin shots till they pray
I'm in town
(KEEP IT GANGSTA)
And to the snitch that ratted on rich the streets got you
16 rounds
(THAT AIN'T GANGSTA)
But theres only one place for a gully rat, six feet under
the ground
(YOU SAY KEEP IT GANGSTA)
I'm gon keep it gangsta
(YOU SAY KEEP IT GANGSTA)
La la la la, la la la la
(YOU SAY KEEP IT GANGSTA)

[Chorus: Wyclef] (Butch Cassidy)
You roll with a hundred, but when the beef come don't
nobody want it
(...GANGSTER)

[Big Jack] (Butch Cassidy)
Pick it up, pick it up, pick it up
Yo, stop with the posin
Y'all ain't really holdin
I'm about to open, a chapter of the Omen
Casket, closin, bodies, frozen
I've, been chosen, y'all forsaken
Ante up, so the chains get taken
Flash backs of the rock season in the making
Ain't no more MC'n, ice is just gleamin
And you wonder why you got robbed, cause your life
had no meaning, fake gangsta
(YOU SAY KEEP IT GANGSTA)

[Chorus: Wyclef] (Butch Cassidy)
But when the beef come, you're the first to run (YOU
SAY KEEP IT GANGSTA)
Yo, that ain't your gun, it belongs to... (YOU SAY KEEP IT
GANGSTA)
You roll with a hundred, but when the beef come don't
nobody want it
(...GANGSTER)
Nobody, nobody, nobody
(YOU SAY KEEP IT GANGSTA)

[Sharissa] (Butch Cassidy)
Now what would you do if Henchman's came for you?
(GANGSTA)
9 out of 10 times you would flea your crew (GANGSTA)
So people your lying say you running these streets

(YOU SAY KEEP IT GANGSTA)
You better watch out cause they have heat (GANGSTA)
Now what would you do if Big Jack came for you?
(GANGSTA)
9 out of 10 times you would leave your crew
(GANGSTA)
So people your lying say you running these streets
(GANGSTA)
You better watch out cause they have heat

[Butch Cassidy]
Gangsta
I'm gonna keep it gangsta
You say keep it gangsta
La la la la, la la la la
You say keep it gangsta
Gangsta
You say keep it gangsta
