Is it getting better or do you feel the same ?
Will it make it easier on you ? Now you got someone to
blame

You say : one love, one life, when it's one need in the
night
It's one love, we get to share it
It leaves you baby if you don't care for it

Did I disappoint you or leave a bad taste in your mouth
?
You act like you never had love and you want me to go
without

Well it's too late tonight to drag the past out into the
light
We're one but we're not the same
We get to carry each other, carry each other, one

Have you come here for forgiveness ? Have you come
to raise the dead ?
Have you come here to play Jesus to the lepers in your
head ?

Did I ask too much, more than a lot ?
You gave me nothing, now it's all I got
We're one but we're not the same
We hurt each other then we do it again

You say : Love is a temple, love a higher law
Love is a temple, love the higher law
You ask me to enter but then you make me crawl
And I can't be holding on to what you got when all you
got is hurt

One love, one blood, one life, you got to do what you
should
One life with each other, sisters, brothers
One life but we're not the same
We get to carry each other, carry each other, one, one.
