Hey, like a fallen angel I was on your side  
You lighted the fire deep in my soul  
Do you remember the stars shining bright?  
I should retire under your control

In seven nights and days  
Oh, you didn't think your thing would come crashing  
down  
In seven lonely dreams  
Oh, I know that you're not the one I'm waiting for

Seven nights, seven days  
Seven nights, I carried the can  
'Cause I let you go, all our bridges were burned  
Oh boy, it's on the cards, I don't wanna return

Seven nights, seven days  
Seven nights, you blew your chance  
Love was not forever in your heart  
Due to that we have to live apart

Nothing's forever, no use to try  
There's no solution, don't make me blue  
We tried together, I kiss you goodbye  
This endless confusion should not come true

In seven nights and days  
Oh, you didn't think your thing would come crashing  
down  
In seven lonely dreams  
Oh, I know that you're not the one that I'm waiting for

Seven nights, seven days  
Seven nights, I carried the can  
'Cause I let you go, all our bridges were burned  
Oh boy, it's on the cards, I don't wanna return

Seven nights, seven days  
Seven nights, you blew your chance  
Love was not forever in your heart  
Due to that we have to live apart

Seven nights, seven days  
Seven nights, I carried the can  
'Cause I let you go, all our bridges were burned  
Oh boy, it's on the cards, I don't wanna return

Seven nights, seven days  
Seven nights, you blew your chance  
Love was not forever in your heart  
Due to that we have to live apart  
Seven nights
