Verse 1:

You are  
A quite common guy  
That's why  
I will have to try  
To be  
The woman you need  
To tell  
How much my heart bleeds  
I'm just a human being, it seems  
That you just fell in love to live your dream

Chorus:

Burning alive  
Don't leave tonight  
I'm burning alive  
And you're not all right  
Stay right here with me  
Burning alive

Verse 2:

I know  
Can't use no disguise  
So lost  
That ain't no surprise  
I push and shove my way around  
But I must really fear  
We're goin down

Chorus:

Burning alive  
Don't leave tonight  
I'm burning alive  
And you're not all right  
Just burning alive  
I know you're in doubt  
I'm burning alive  
It's making me scream  
It's making me shout

C-part:

I must

Make you feel okay  
Cause we'll  
Be losin' our way  
I'm just a human being, it seems  
That you just fell in love to live my dream

(Repeat Chorus)
