Mama, I love you more than I can say  
You helped me find my way  
Don't worry if I'm far away

Hey sister, you're the best friend I have ever had  
When you're around my heart is glad  
And it breaks my heart to see you sad

Sometimes unforeseen things can change  
Every thing, every day, so don't wait

Don't forget to say I love you  
Cause you'll never know, never know  
When it's time for us to go  
So don't forget to say I love you  
Say it every day in every way  
Cause you'll never know  
But I know I love you so  
Ooooh, oh, I love you so

Daddy, I love you more than I can say  
You showed me my way  
Don't worry if I'm far away

My love I wanna share my life with you  
You make me laugh when I'm blue  
And with you my dream came true

Sometimes unforeseen things can change  
Every thing, and every day, so don't wait

Don't forget to say I love you  
Cause you'll never know, you never know  
When it's time for us to go  
So don't forget to say I love you  
Say it every day in every way  
Cause you'll never know  
Oh but I know I love you so  
Ooooh, oh, I love you so

Ohh I love you soo  
Yeah, yeah

Don't forget to say  
Don't forget to say I love you  
Don't forget to say I love you
