Refrain

Our flight tonight
it's over now
our flight tonight
I wanna stop to be in love
but that surely comes as no surprise
the end is near
you're gonna take your love someplace
that is what I'm reading from your eyes
we can't make it good

You heard me right
and that is why
it's no use to try

You are in a way what I expected
Bridge
you see I can say that I reflected
all the time

Refrain
Our flight tonight
it's over now
but that surely comes as no surprise
I wanna stop to be in love
the end is near
our flight tonight
you're gonna take your love someplace
that is what I'm reading from your eyes

You brought me down
now that you are gone
I won't wear this frown
this world goes on

Bridge
You are in a way what I expected
all the time
you see I can say that I reflected

Our flight tonight
Refrain

I wanna stop to be in love
it's over now
but that surely comes as no surprise
the end is near
our flight tonight
you're gonna take your love someplace
that is what I'm reading from your eyes

Empty's my heart
to live again
gotta find a start
with another man
