I think I have lost your love
After all the harm I've done
If you could give me just one more chance, babe
I'd walk a thousand miles
For your touch and your lovely smile
I'm sorry for all I have done, babe
Hearts are broken
Where do we go now?
Words unspoken
I miss you
I promise
If you come back in my life
I promise you I'll be there
'Til the end of time
Forever and ever babe
I wanna be kissed by you
Love me tender
I want it all or nothing at all
Come back
Forever and ever babe
I can't believe
You'll abandon me
Love's too deep
Take a chance on me
They don't need to see me cry
You can't hide it with a lie
It's not too late to change your mind, babe
I keep your picture beside my bed
Still remember the words you said
Can't believe what I just gave away, babe
Hearts are broken
Where do we go now?
Words unspoken
I miss you
I promise
If you come back in my life
I promise you I'll be there
'Til the end of time
Forever and ever babe
I wanna be kissed by you
Love me tender
I want it all or nothing at all

Come back
Forever and ever babe
I can't believe
You'll abandon me
Love's too deep
Take a chance on me
Ohoh
I can't believe
No no no no
I promise
If you come back in my life
I promise you I'll be there
'Til the end of time
I promise
If you come back in my life
I promise you I'll be there
'Til the end of time
Forever and ever babe
I wanna be kissed by you
Love me tender
I want it all or nothing at all
Come back
Forever and ever babe
I can't believe
You'll abandon me
Love's too deep
Take a chance on me
I can't believe
