Just the other day I started thinkin'
how we messed up our love and fell apart
I'm feeling weak an' I'm gonna lose my guard

an' I really couldn't keep on playing "hangin' tough"
need you still today
Don't you stay away
love is real

and I will show you
Refrain
Jean
in a way that made me see
'twas the name you gave to me
Jean
I've realized I cannot do much better
you're the one I'm countin' on
ev'ry time I hear this song
I would move the world to see you laughin'
have seen the light, boy, I gotta hear your voice - Jean

I'd follow you to each an' ev'ry place

if you saw darlin' you would be amazed
but I know that I would have to do some changin'

I'll have to endure
love is real
waitin' for my cure

and you can show me
Ev'ry day I'm hopin' for a sign from you
Bridge
it's ok
that tells me it's ok

Refrain
an' I can't wait to hear you call...
