[9x] (Don't look back)  
(Don't, don't, don't look back)  
Don't look back!

I'm not here to tell you what's wrong or right  
I know you're tumbling and you're turning in your bed  
at night  
'Cause you're sneaky and you're cheeky  
You're a freak in the battle  
And I know the way you work it  
You just treat 'em like cattle

(Don't look back)  
You got it, you got it just flaunt it your way (don't look  
back)  
Don't look back, boy, you might not like what you see  
(don't look back)  
I know you hustle, know, you hustle your way (don't look  
back)  
Say what you say, you won't be hustling me (don't look  
back)

Material Boy  
Nobody cares about the way you feel (don't look back)

Material Toy  
You gotta find a way to make it real from here (don't  
look back)  
Uh uh aha, uh uh aha, uh uh aha, yeah yeah (Material  
Boy)  
Uh uh aha, uh uh aha, uh uh aha, uh uh

[3x] (Don't look back)  
(Don't, don't, don't look back)

I'm not here to keep you up all night  
I just walk into the room and then I see this sight  
'Cause I'm freaky, I am cheeky  
I'm a bitch when I speak  
I can see Karma, police coming down your street

(Don't look back)

You got it, you got it just keep them away (don't look back)  
Don't look back, boy, you might not like what you see (don't look back)  
I know you hustle, know, you hustle your way (don't look back)  
You picked the wrong one, when you did it to me (don't look back)

Material Boy  
Nobody cares about the way you feel (don't look back)

Material Toy  
You gotta find a way to make it real from here  
Uh uh aha, uh uh aha, uh uh aha, yeah yeah (Material Boy)  
Uh uh aha, uh uh aha, uh uh aha, uh uh

You like the girls in the fast lane  
You wanna take it to the extreme  
You know that nothing's everlasting  
I know you know just what I mean  
You like the life in the fast lane  
But it's about to drive you insane  
When you wake up to reality  
You might not like what you gonna see

(Don't look back)  
Uh uh aha, uh uh aha, uh uh aha, uh uh aha, yeah yeah  
Uh uh aha, uh uh aha, uh uh aha, yeah yeah  
(Don't look back)

Material Boy  
Nobody cares about the way you feel (don't look back)

Material Toy  
You gotta find a way to make it real from here (don't look back)  
Uh uh aha, uh uh aha, uh uh aha, yeah yeah (Material Boy)  
Uh uh aha, uh uh aha, uh uh aha, uh uh aha, yeah yeah

Don't look back  
Don't look back  
Don't look back
