It is one of those nights when I turn on my lights  
I'm addicted to love, get up at the crack of dawn  
Baby, for the show must go on

I don't have to bother 'cause he's my cute lover  
He's my new attraction, I'm the craziest girl in town  
Baby, I'll pay cash down

Oh, Mr. Big, I love only Mr. Big, I just want him at  
midnight  
And so I dig, yes, I dig for Mr. Big, hmm, to have him at  
midnight  
I will enjoy those sexy things when he will dance for me  
And I will fly on passion's wings when he will hit on me

Yeah, he will light my fire and it takes me higher  
Baby, keep on dancing, entertain me all night long  
Your body turns me on

Oh, Mr. Big, I love only Mr. Big, I just want him at  
midnight  
(Woah, oh yeah)  
And so I dig, yes, I dig for Mr. Big, hmm, to have him at  
midnight  
(Have him at midnight, yeah)  
I will enjoy those sexy things when he will dance for me  
And I will fly on passion's wings when he will hit on me

I will enjoy those sexy things when he will dance for me  
(Woah, yeah, yeah, yeah)  
And I will fly on passion's wings when he will hit on me  
(Baby)  
(Hmm, me, me, baby)

I will enjoy those sexy things when he will dance for me  
(When he will hit on me, when he will hit on me)  
And I will fly on passion's wings when he will hit on me  
(Hit, baby, hit on me, hit on me)
