Better be my lover
Underneath my cover
Wanna see no other
Here in my bed
You are such a wild guy
Absolutely not shy
You're the one 'cause I
Can't by me love

An' I say-I want you to freshen up my mind
So I pray-that you will be there to spend the time
Come baby, come baby, rock my life

Come baby, you're maybe on my side
I want your sex tonight
I hope you're never fadin'-right

Come baby-no lady-rock my life
I'm ready now to have the final drive
You got my lovin' goin'
Now there will be no slowin' down
Can you make me scream again tonight
I'll fulfill your dreams, my boy-all right

Wanna see you movin'
Gonna make me groovin'
Surely will be losin'
My head tonight
Gotta show some rockin'
There won't be no stoppin'
An' I'll get your knockin'
On heavens door
An' I say-I want you to freshen up my mind
So I pray-that you will be there to spend the time
Come baby, come baby, rock my life
Come baby, you're maybe on my side
I want your sex tonight
I hope you're never fadin'-right
Come baby-no lady-rock my life
I'm ready now to have the final drive
You got my lovin' goin'
Now there will be no slowin' down

Can you make me scream again tonight
I'll fulfill your dreams, my boy-all right
